Senior Companions Program

The Senior Companion Program pairs volunteers aged 55+ with other adults who have difficulty with daily living tasks or who are experiencing feelings of loneliness and isolation. Thanks to funding from AmeriCorps Seniors, volunteers can earn a stipend while providing companionship, transportation, or respite to support aging in place.

OUR SERVICES

Senior Helping Hands

Our team of trained Caregivers supports seniors in their homes with household tasks, personal care, pet care, and medication reminders. If you are looking for in-home care at rates based on income, call us today.

Prevention of Elder Abuse

Our team of dedicated staff is trained to assist people in accessing resources and managing their money through payee services. Each person is treated with respect and supported to help them remain independent and free from abuse.

OUR COMMUNITY COLLABORATIONS

The Yellowstone County Guardianship Council consists of community volunteers who bring their expertise to serve individuals who are deemed by a court to lack the capacity to make medical or financial decisions and have no family member available, willing, or suitable to do so on their behalf.

Dementia Friendly Billings provides presentations at no cost to businesses and organizations on dementia and how it can affect encounters with clients, customers and staff. Our training is designed to develop respect and inclusion for persons with dementia and their families, tips on warning signs and compassionate communication.
